Promotional Airfare Terms and Conditions: Free & Specially-Priced Air Packages are valid for full-fare cruise passengers booking/purchasing the Silver SKY Air Programme from applicable U.S./Canadian gateways. Promotional rates are valid on select voyages, from select gateways, for roundtrip travel via Silversea's Preferred Airline partners, capacity controlled, and subject to availability for a limited time. Promotional Air Packages may not be valid for multiple voyage combinations, group escorts, friends & family or any other reduced rate or non-revenue type cruise fare, or for guests opting to deviate their air schedule to coincide with an independently booked hotel stay/package. Promotional offer applies to the first two guests in a suite only, not valid for 3rd & 4th guests. Guests are responsible for additional hotel/transfer costs for those destinations where a forced overnight may be required or requested, but not included in the standard Silver SKY Air Programme Package.

Promotional Air Packages must be requested at time of booking. Air Package is not automatically added. Guests are responsible for reviewing their invoice to ensure the applicable Air Package is listed. Discrepancies must be reported prior to deposit. Offer valid for new bookings only, received on or after May 11, 2009. Due to limited airline availability, Silversea reserves the right to withdraw or modify this offer at any time without notice. Once withdrawn, promotional rates will no longer apply and guests opting to deviate their air schedule for any reason will be required to pay the non-promotional airfare plus additional fees charged by Silversea and/or a third-party vendors, and guests will be invoiced the applicable airfare amount once the deviated air schedule is confirmed by Silversea. Silversea acts only as an agent on the guest's behalf and does not operate, control or supervise any airline(s) and will not be held responsible for carriers failing to meet schedules whether or not air schedules/tickets were issued by Silversea. All other Silver SKY Air Programme Terms and Conditions apply.

Business Class, when purchased and unless otherwise stated, is only applicable to the transoceanic portion of the itinerary when booking a voyage that requires international travel. (Note: Honolulu guests may be required to pay an additional fee to upgrade on the trans-Pacific portion of their journey when the international segment of the flight schedule begins and/or ends in the continental U.S. or Canada.) Economy Class will be substituted when Business Class is not included or available on all sectors.

Qualifying participants opting to book cruise only will receive a cruise credit in the following amount:
 Europe voyages offering FREE AIR: \$500 per person, 1st & 2nd guests only (NAAIR500)
 Alaska voyages offering FREE AIR: \$200 per person, 1st & 2nd guests only (NAAIR200)
